STAT

This is in regard to your letter of 19 April 1985 in which you provided additional information regarding your Freedom of Information Act (FOIA) request with this agency for documents concerning Peter Oscar Mullack, our case F85-0249.

We have accepted your request; it will be processed in accordance with the Freedom of Information Act, 5 USC 552, and the CIA Information Act, 50 USC 431. Our search will be for documents as of 1 January 1980 and through the date of this acceptance letter.

The heavy volume of FOIA requests received by the Agency has created processing backlogs. Since we cannot respond within the 10 working days stipulated by the Act, you have the right to consider this as a denial and may appeal to the CIA Information Review Committee. It would seem more reasonable, however, to have us continue processing your request and respond as soon as we can. You can appeal any denial of records at that time. Unless we hear from you otherwise, we will assume that you agree, and we will proceed on this basis.

Sincerely,

STAT
